

## BIG AIR 45 LOUVERED GABLE VENT

THE ONLY VENT THAT INSTALLS ON **SIDE WALLS** AND **END WALLS**,  
**TOP** OR **BOTTOM** AND **ANYWHERE IN BETWEEN!**

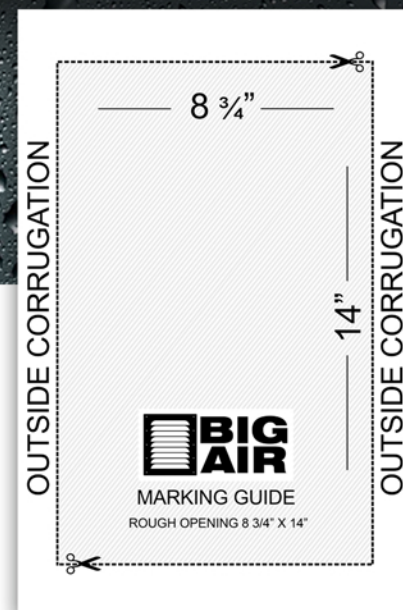

### INNOVATIVE DESIGN

- Computer Modeled Aluminum Frame
- CSA Approved Polypropylene Vent
- 45 sq in Free Air Flow

### EASY INSTALL

The BIG AIR 45 comes with a marking guide to make cutting a hole as easy as possible! Rivets and self-tapping screws are also included (we recommend using rivets).
